IN 33RD YEAR—EVERY WEEK SINCE 1905

FRIDAY, APRIL 8, 1938 HAMLIN, JONES COUNTY, TEXAS,

NUMBER 23

## Another Bad Fire Takes Two Business Houses And Damaged A Third

Last Thursday night about midnight City Night Watchman, Elmer Brewer discovered a big fire in the rear of the Lone Star Cafe, which is operated by the Carmichael Brothers.

The alarm soon brought the Hamlin Fire Department on the scene and they put up their usual game fight. The flames kept eating away in the ceiling of the cafe and entered the adjoining building on the north, which had just last week been the home of an auto supply firm, but vacant at the time of the fire. Both of these structures, known as the Vaughan Buildings, were soon a complete loss as far as the roof, ceilings, and fronts were concerned.

The Lone Star Cafe fixtures, including their air-conditioning plant, was a complete loss.

While the fire was at its height, and firemen were on top of the Turner building, occupied by the Reynolds Drug Store, a terrific explosion happened that tore about one-third of the ceiling from the joists, crashed the doors shut and burst them out into the street. This did much damage to the newly equipped and decorated drug store. The front doors had been opened on purpose to forestall such an explosion, said to happen often when gasses and dust become heated in the ceiling. The gust of air rushing out caught the doors and splintered them and much of the front plate glass.

A call for help went to Stamford and as in the past, they responded quickly but by the time they arrived the local firemen had the fire under control.

It has not been learned yet, whether the cafe will resume after the re-building, but the Reynolds store is already on the job before the repairs are made.

## FISHER COUNTY SINGING CONVENTION

Plasterco is to play host to the Fisher County Singing convention this Saturday night and Sunday.

The out-of-county singers will be cared for at the noon lunch on Sunday.

This convention is being held in the east side of the county for the first time. Plasterco people are glad to entertain the singers and comers. They have a good auditorium and lots of hospitality. They are anxious for all the adjoining counties to have singers and listeners present, at all the convention Saturday night and Sunday, April 9th and 10th.

Misses Laura Q. Martin and Clydene Wilson returned to Denton Monday to resume their work in North Texas State Teachers College, after spending a short vacation with their parents, Mr. and Mrs. Q. Martin and Mr. and Mrs. Clyde Wilson. They were accompanied by Miss Katherine King, of Wichita Falls, and Miss Elmo Joy Wilson, of Denton, both students in N. T. S. T. C. While here Miss King was a guest of Miss Clydene Wilson and Miss Elmo Joy Wilson was a guest of Miss Laura Q. Martin.

Mrs. Miller and daughter, Miss Katherine, of Plainview, were guests Thursday and Friday of last week in the home of Mrs. M. Y. Wilson. Miss Virginia Miller who has been secretary in the Hamlin W. P. A. office, accompanied them to Lubbock where she will act as secretary in the Lubbock office. The position in Hamlin is being filled by Miss Monique Ferguson.

## SNOW, ICE, COLD GREETED US THURS.

What is wrong with the seasons this year? Rain in February, Rain in March, and hardly any winter, plus an unusually early spring. Wheat and oats, along with trees, flowers, grass and gardens got ahead of themselves this year. They were met Wednesday morning by one of the severest snow storms this country has had in many years, this late in April. Yet old timers say that this is not the first snow this late. Most of us can say that it is the first time we have ever seen wheat heading in a snow field.

The blizzard came up in the form of a sand storm last Wednesday and the howl kept up all night, and the ground and all things that would hold up a snow flake were covered Thursday, April 7. And it kept snowing till noon. Icicles hung from house eaves, auto bottoms, and it all made one think of January.

All over Hamlin beautiful roses were in bloom, along with many other kinds of lovely things of nature. This is a record, we feel sure, in this part of West Texas.

Mrs. W. B. Agnew who was injured in an auto accident Wednesday of last week, was able to be removed to her home in the Dovie community Sunday. Mr. and Mrs. Agnew and their little grandson, accompanied by Mrs. Paul Goodgame, were returning from a visit with a daughter, Mrs. Alfred Dutton, when the accident occurred. At this time she is reported to be recovering nicely. Mrs. Agnew was visited Friday afternoon by her daughter, Miss Lois Agnew, a junior nurse of the Stamford Hospital.

## MRS. MARY J. NEELY DIED IN ABILENE

Mrs. Mary Jane Neely, one of Hamlin's pioneer women, died at her home, 1627 Hickory street, in Abilene, Saturday night at 9:25 o'clock. She had been ill for several days with pneumonia. At the time of her death she was 77 years old.

Mary Jane Cunningham, the daughter of the late Captain and Mrs. James Cunningham, was born April 16, 1860 at Comanche. In that city she was married to J. M. Neely where they made their home for a number of years.

About 26 years ago, Mr. and Mrs. Neely came with their family to Hamlin and resided here until his death in 1918. Since that time Mrs. Neely has spent only a part of her time here, but has always considered Hamlin her home, retaining her church membership here, and other interests.

Mrs. Neely is survived by eight children. They are Mrs. S. A. Lake, of Zephyr, Joe H. Neely, of Sierra Blanco, Mrs. W. H. Stephens, of Abilene, Mrs. Guion Gregg, of Dallas, Tom Neely and Mrs. C. C. Prater, of Hamlin, Mrs. C. L. Baker, of Ballinger and Mrs. Hugh Latham, of Brownwood. All were at their mother's bedside.

Other survivors are a brother, Jim Cunningham, of Comanche, a sister, Mrs. J. R. Lewis, of Brownwood; a niece, Mrs. Jewel Bracken, of Abilene; a granddaughter, Mrs. Sam Adkins, and a grandson, Charles Prater, of Hamlin. Also a number of other grand children and great grandchildren.

Funeral service was held at 10:00 o'clock Sunday morning at the home of a daughter, Mrs. W. H. Stephens at 1502 Hickory street in Abilene. The service was conducted by Mrs. Neely's pastor, Rev. J. Henry Littleton, of Hamlin, assisted by Dr. Millard S. Jenkins, of Abilene.

Pallbearers were six of her grandsons, Charles Prater, J. B. Neely, Guion Gregg, David Baker, Weldon Middleton and Alton Johnson; and A. B. Lankford and I. G. Humphrey.

The body was taken in the Laughner Funeral Coach to Comanche where another service was held at 3:00 o'clock and burial was beside the grave of her husband.

A large number of Hamlin friends attended the funeral service in Abilene, Sunday morning, and some went on to Comanche, among whom were Rev. and Mrs. J. Henry Littleton.

## TWO LOCAL ELECTIONS HELD

Saturday was election day in Hamlin. Three men were to be elected to the important place of board members for our public schools. Thirty-seven votes were cast.

Three men to be elected—three names on the ticket—there was no special issue so the majority of Hamlin school patrons and citizens left the voting for their neighbors.

The men elected were M. T. York, Joe McCrary and Roy Gilbreath.

Tuesday Hamlin's mayor and city officials were chosen. This also proved to be a non-contest election.

For mayor, the present incumbent, Joe Culbertson, received 68 votes.

For aldermen: Clyde Wilson 85 votes, J. W. Ezell 84 votes and H. O. Cassle 83 votes.

Mr. and Mrs. J. E. Moody, Roy McCurdy, Mrs. J. W. Ezell and a Mr. Newton, a winner of Rotan, left Tuesday morning for Dallas where the men were to attend the winners' convention. Perhaps the ladies will visit relatives and friends in the meantime.

Mr. and Mrs. Paul Cain and little son, of Sweetwater, spent the week end here visiting relatives and friends.

Nicely printed letter paper and envelopes add dignity to your business—and the cost is so small at the Herald plant.

## DR. TURNER BYNUM AND WIFE GUESTS AT C.-C. BREAKFAST

Dr. and Mrs. Turney Bynum were honor guests of the Hamlin Chamber of Commerce Appreciation Breakfast Thursday morning, at the Morgan Hotel.

This method of showing Dr. Bynum and his wife the universal appreciation his and surrounding communities have for his work in this community, was decided upon in order that as many as possible might be present.

Dr. J. Turner Bynum grew to manhood in the McCaulley community where his father, a pioneer physician, lived many years. He completed his medical course and began practice in Hamlin, meeting with remarkable success from the start. Later he established the Hamlin Emergency Hospital and brought that kind of valuable services to Hamlin and its neighboring people.

Recently Dr. Bynum sold his interest in the hospital to Dr. Gentry and his wife, Dr. Patti Faye Inzer, and this means that he will soon take up work in a different place and perhaps in a different field. Thus the "Appreciation Effort" was in order this week.

The Chamber of Commerce reports that only the capacity of the hotel kept the number at the breakfast to the 80 or 90 mark. Many sought tickets but the capacity only permitted 86 plates. Although the morning was snowy and disagreeable, guests came from as far away as McCaulley. The McCaulley people claim Dr. Bynum as theirs, and were given full room at the breakfast tables.

At the beginning, W. C. Russell, president of the organization, introduced Attorney Gerald Morgan, as toastmaster. He did the job well. Talks were made on the following: Turner Bynum, A Citizen, by Mayor Joe Culbertson; Turner Bynum, A Lion, by Gordon Bennett, and Turner Bynum, A Doctor, by Rev. J. Henry Littleton.

Every regular medical doctor and his wife in Hamlin were special guests, and this included the parents of the honoree, Dr. and Mrs. J. T. Bynum, Sr.

On the program the subject "Doctor and Doctors," by Bowen Pope, in which he sought to express Hamlin community's appreciation of the pioneer doctors and to extend a generous welcome to the newer physicians to Hamlin.

The printed programs represented "Prescription Blanks" and there was one extra for each plate on which the extra could write out his "prescription or best wishes to Dr. and Mrs. Bynum. This was done and the paper folded and placed in a large capsule tied with ribbons. Dr. and Mrs. Bynum almost had to have a basket to carry away the "medicine" their friends presented.

This idea of showing appreciation to our people is a happy one. It should be done as often as the occasion presents itself. In the case of Dr. Bynum, it was one well merited. He leaves Hamlin with the hearts of all who have had any dealings with him. And for those who could not attend the breakfast, the Herald wants to express for them the same universal feelings that Dr. Bynum heard at the breakfast.

## FUNERAL SERVICES TUESDAY FOR N. H. FRAVEL

Funeral service for N. H. Fravel was conducted at the Methodist Church in McCaulley, Tuesday afternoon at 2:30 o'clock by the pastor, Rev. J. R. Bateman.

Mr. Fravel died Monday evening at 4:00 o'clock in the home of Mrs. Keller in McCaulley. He had no close relatives but many years had been a friend of the Keller family.

Burial was in the McCaulley cemetery under the direction of Maples Funeral Home, of Hamlin.

Pallbearers were J. I. Parker, Garland Davis, J. A. Jackson, George Darden, Levi McCollum and F. I. Rector.

Flower girls were Misses Minon Jayroe and Melvea Miles.

## LOVE AND ITS PITFALLS

"A course of true love never runs smooth." You'll again believe that old adage when you see "Headed For Eden." There's plenty of romance, smooth and rocky, in this play. However, you'll be ready to cry, and some of you will, when you see the 'ups and downs' of the courtship between Charles Prater and Phyllis Milsap, both are reporters but for rival papers. They may have you uneasy all during the play, but at the least they will thrill you with that 'tender and heartrendering' love. Reporters aren't the only ones who fight and then make up. Bernice Shelton, as Imogene the maid, and Bill Norris, as Hank the laundryman, are that way about each other although she locks him in a closet and hits him with a poker. He says, "Say, Toots, I could go for a spunky gal like you."

Everyone will love Kathryn Gardner, who is Mrs. Skipworth and runs the boarding house where ten girls live. She is kind, sympathetic, and understanding.

John Kent Jones gets himself in a jam and has to go to jail all during the second act. Of course, he is innocent and everything turns out swell for him.

Guy Wilson, or rather Sergeant Kelly, of the Chicago Motor Cycle Police, sees that law and order are kept in the big city.

For a real dramatic scene, you must see Tom Scarborough, or better still 'Limpy, a bit of floatsam', as he reveals the underworld of Chicago and names the leading gangsters of that city. He turns out to be the hero even though he says, "I know they're watching me! They never take their eyes off me! They'll kill me!"

One more week from tonight the Seniors will present the great — "HEADED FOR EDEN."

—Senior Reporter.

## HOME EC. GIRLS ATTENDED DISTRICT MEET AT STAMFORD

Last Saturday several of the girls of the Home Economics Club represented Hamlin at the district meet in Stamford. After registering at 9:30, representatives of the ten schools present assembled in the high school auditorium where a splendid program was given by the Stamford group.

Those from Hamlin who attended the meet were, our sponsor, Miss Faye Duncan, Ollie Lee Hopper, Helen White, Wima Faye Hunter, Ada Jane Howard and Kathryn Gardner.

## HOME ECONOMIC CLUB

Last week the Home Economics Club had as their guests several members of the Home Ec. Club of Stamford High School. They rendered a splendid program of singing, tap dancing, reading and also presented a one-act play. Our girls are planning to return the visit soon. At the end of their program, we were invited to attend a district meet scheduled to be held there on Saturday, April 3rd.

## CANDY SALE

The Home Ec. club girls will sell candy on the street Saturday, and everyone is invited to see us there. The proceeds will be used for the purpose of sending five representatives to San Antonio to the State Homemaking Rally on May 4th, 5th and 6th.

John May, of the Lamesa National Bank, came down late Saturday evening to see his parents but he found they had left for Dallas. John can't see why his dad can't stay at home more.

## Letter of Appreciation to The People of Hamlin District

DEAR FRIENDS:

I take this means of formally announcing that the control of Hamlin Hospital is now in the hands of Dr. Thomas Gentry and his wife, Dr. Patti Faye Inzer.

I will be in Hamlin but a short time longer and it is with true regret that I give up my practice here and the many fine associations I have enjoyed with you, but it is my ambition to extend my knowledge in a special field and spend the next year in post-graduate work.

This letter is intended as a personal message to every former patient.

I am deeply indebted to this community for all it has taught me, and am truly grateful to all of you who have trusted me as your physician. Such friends as I have found in Hamlin are a rare blessing to any man.

I recommend Dr. Gentry and Dr. Inzer to you with the utmost faith in their ability and their desire to serve you well. You have been informed of their distinguished professional accomplishments. They are in possession of my records and case histories of former patients, and I believe a capable to proceed with your care without interruption and to your complete satisfaction. It is my hope that you will come to place the same confidence in them that you have been good enough to place in me in the past. It is this consciousness of your faith which carries the doctor through the hardships of practice.

I wish, also, to thank all who have served on the staff of Hamlin Hospital. Without their fine co-operation our work would have been less gratifying.

Mrs. Bynum joins me in every good wish for Hamlin and surrounding communities.

Yours very truly,

John Turner Bynum, Jr.

# Happenings of Various 4-H Clubs in Jones Co.

## FROM LOCAL LEADERS MONTHLY REPORTS

### NEINDA CLUB:

J. A. Morgan, local leader of Neinda 4-H Club reports that Dawse Switzer bought a sow pig last June 15th, at a cost of \$4.00. He has kept her until now at a cost of \$11.50 for feed. She now has seven one-month old pigs. In all, the gilt and her pigs have cost him \$15.50. Dawse estimates that the sow is worth \$18.00 and each pig is worth \$4.00, making a total value of \$46.00, as compared to a cost of \$15.50 which makes a profit of \$30.50.

### STAMFORD CLUB:

W. G. Pritchett of the Stamford 4-H Club, reports from his flock of six fine quality white wyandottes, he sold twelve dozen eggs at 60c per dozen amounting to \$7.20 for January, and sold eight dozen eggs at 60c per dozen amounting to \$4.80 for February. He sold two roosters for \$6.60 and one hen for \$1.00. His January feed bill consisted of 25 pounds of grain costing 50c, 32 pounds of mash costing 92c, and milk and miscellaneous amounting to

\$1.10, making a total of \$2.52. His February feed bill consisted of 23 pounds of grain at 46c, 30 pounds of mash at 84c, and milk and miscellaneous amounting to \$1.23, making a total of \$2.53. W. G.'s average for January was 20 eggs, while the standard was 12 eggs. He reported that he hatched off ten baby chicks in January, which he values at \$2.50 and he hatched twenty-eight in February, valued at \$7.00. Incidentally from this group of wyandottes he won \$12.75 at the poultry show which was held in Anson last December.

### WISE CHAPEL CLUB:

N. H. Touchstone, local leader of Wise Chapel 4-H Club, advises that Jess Jr., Treadwell reports a gain of nineteen pounds on his pig. The pig now weighs 136 pounds.

Jack Ellison's pig has gained from 119 to 139 pounds in 30 days. He has an abundance of sour milk to feed.

Weldon Wainscott reports a nice gain from his lamb. He is feeding her grain and winter wheat.

The entertainment committee plans a picnic for Wednesday night,

## Advice to

AN

# Easter Bride

AND

## Every West Texas Home Maker

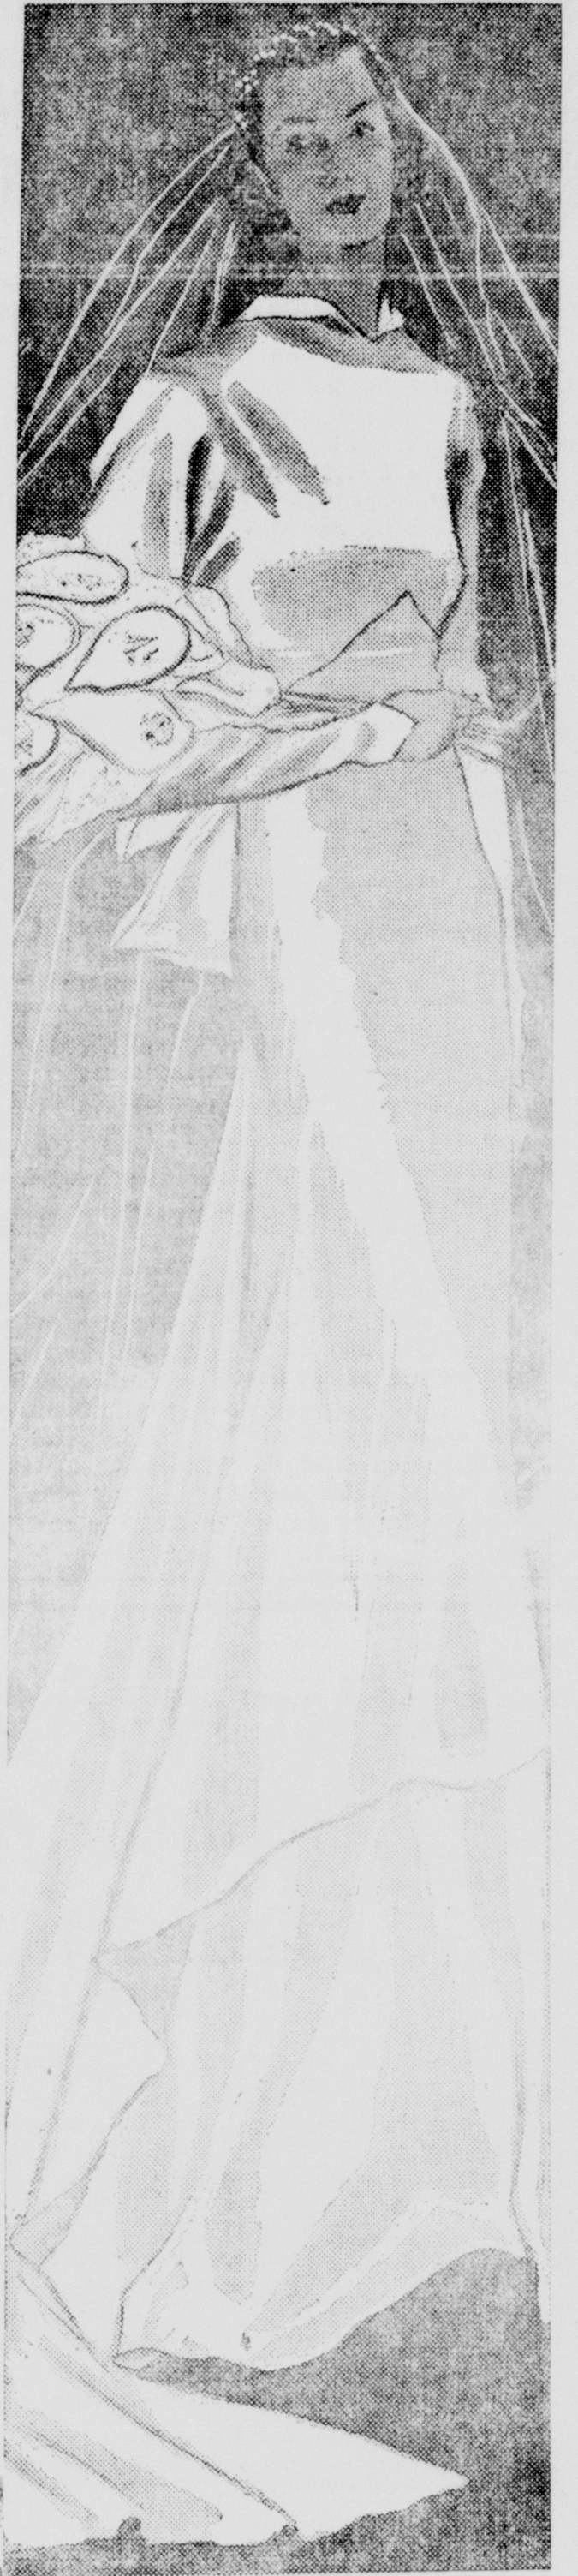

TO YOU WHO WILL BECOME 1938's SPRING BRIDES: You may be in a whirl of excitement over wedding plans, gifts and wishes for your happiness. Even so, we want to get our word in. Whether you're going to a small love-nest, an apartment or a mansion, whether you're going to do all your own work, or have one maid or a dozen, Electric Service is going to be a vital factor in the operation of your future home. There will be many electric appliances among your wedding gifts such as toasters, waffle irons, percolators, grills and lamps. They'll all be useful. But you still will have the problem of cookery, washing and ironing, and refrigeration. So we invite you to call on our Home Service Bureau to help solve this problem. Remember that we have special long-time terms for just such households as yours.

The modern electric range produces delicious cakes and torts without the necessity of spending laborious hours in the kitchen.

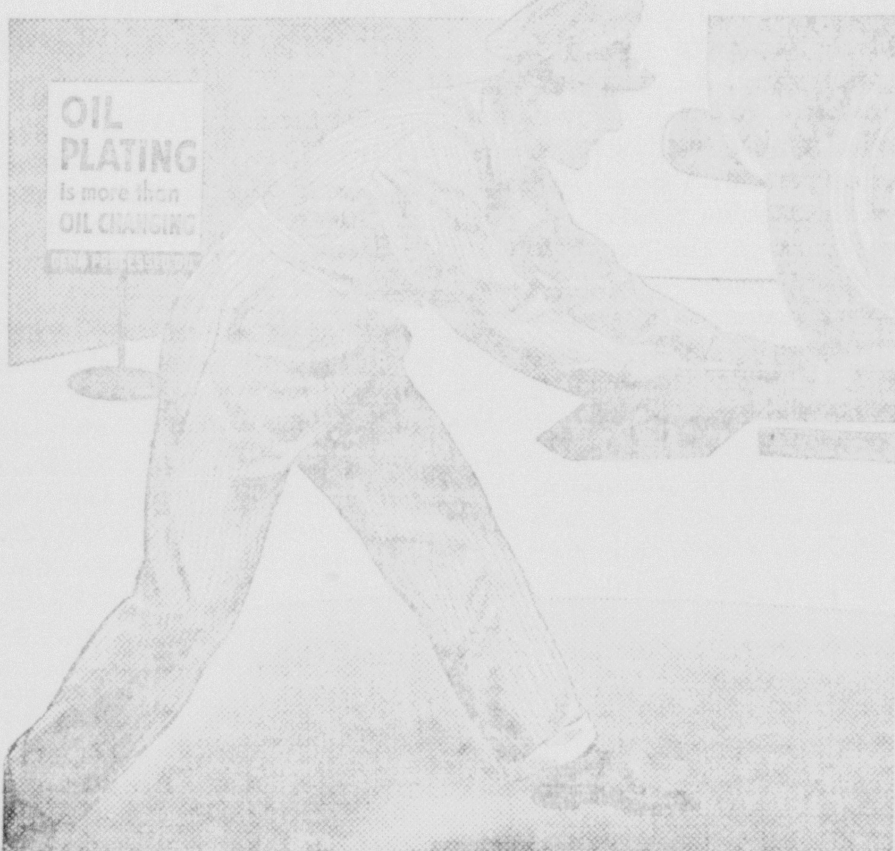

TO BRIDES OF OTHER YEARS: The swing to Electric Cookery is definitely under way. Last year every fourth range purchased in the United States was electric. Every seventh home served by this company right here in West Texas NOW has Electric Cookery. Why? Because it's FAST, CLEAN, COOL, ECONOMICAL, EASIER, HEALTHFUL, SAFE, TIME-SAVING and MODERN. This delightful new type of cookery will meet with your approval.

**West Texas Utilities Company**

He's got mere "oil-changers" tied to a post...because

**ONLY YOUR MILEAGE MERCHANT OIL-PLATES YOUR ENGINE**

You'll get...

YOUR WINDSHIELD CLEANED BY \_\_\_\_\_?

YOUR RADIATOR FILLED BY \_\_\_\_\_?

YOUR TIRES INFLATED BY \_\_\_\_\_?

YOUR ENGINE OIL-PLATED BY \_\_\_\_\_

*Your Mileage Merchant*

That last one is all filled in for you because the only answer on OIL-PLATING your engine is Your Mileage Merchant. He does all the other things, too—and folks say he does them better—but there isn't even a comparison with his patented Conoco Germ Processed oil that gives you exclusive OIL-PLATING.

OIL-PLATING actually unites with all working surfaces. They remain continuously OIL-PLATED. Though you park your car for long stretches, this rich slippery OIL-PLATING remains all prepared for every start. Then what's so-called "starting wear" to your OIL-PLATED engine?

Or when your car hustles, how can implanted OIL-PLATING keep flying off to get burned right up? That's where OIL-PLATING gives you a sane explanation of why you can count on more mileage. You add mighty little Germ Processed oil after Your Mileage Merchant puts in just your correct Summer grade today. Continental Oil Co.

March 2. The 4-H Club girls are to be guests of the boys.

### HAWLEY CLUB:

The Hawley 4-H Club boys at a call meeting on February 28th, discussed "Dairying on the Farm." The meeting was called to order by the President, Walter Morrow.

Several of the boys gave demonstration reports. "Dairying on the Farm," was discussed from a number of standpoints, including, Selecting the Foundation Stock, Care of Dairy Calves, Inexpensive Construction of Substantial and Sanitary Milk Houses, Feeding the Dairy Herd, and Marketing the Products. Most of the boys are doing excellent work and keeping records of their demonstration, reports Orvid E. Walls, local leader.

The boys and girls 4-H Clubs of Hawley had charge of assembly program in the high school auditorium, with Walter Morrow, president, in charge. Group singing was conducted by Mary Bladen, song director.

of the girls club. Interesting reports were given by Opal Sloan, Charlotte Grey, George Adams, Truett Lambert and Ellis Burrow on demonstrations they were carrying on at this time. This assembly was well attended and the boys and girls were highly commended for their achievements in 4-H Club work.

During the month of February, George Adams' flock of twelve white leghorn hens produced a total of 256 eggs at a cost of \$1.55 (less labor). Labor for general care of the chickens cost 95 cents, making a total of \$2.50 expense. At 22c per dozen, the eggs made young Adams a clear profit of \$2.19 or 33c per hour for his work. The hens averaged more than 73 per cent in egg production.

In February, Truett Lambert's fifty white leghorns produced a total of 914 eggs or an average of better than 65 per cent production per hen. Over January's production the increase was 3.54 per cent. These eggs were produced at a cost of \$6.75 (less labor) giving Lambert a profit

of \$4.65 for his labor or an average of 33c per hour, which is good wages for a student.

On February 1st, Rufus Wyatt weighed his three gilts which averaged 57 pounds each. These pigs ate \$1.10 worth of feed each. The pigs averaged gaining 26 pounds each during the month, or a daily gain of

.95 pounds each. These pigs are being kept for brood sows and Wyatt is not trying to make them gain rapidly. Three pounds of grain per day was fed these pigs. These pigs are O. I. C.'s.

**B. B. Campbell**

HAMLIN, TEXAS

# Birthday Of The Civilian Conservation Corps

March 31-April 5, which makes the fifth anniversary of the birth of Civilian Conservation Corps, was observed with appropriate ceremonies in every camp in the United States and its possessions. Open house, at all camps, and the Commanders' welcome visitors to inspect the types of work undertaken, and to observe the favorable conditions under which the enrollees live.

This is one government agency that has not been given the publicity it deserves, for it has functioned under the supervision of the War Department as a smooth-running machine, and not many public officials or citizens realize its true value, from either a social or economic standpoint. While it was created in 1933 to provide worthwhile employment for the thousands of young men roaming over the country, it has shown that such a program has a permanent place in the life of America, and there is little doubt that it will be made a permanent and integral unit of the government as its life has already been extended for several years by acts of Congress.

Texas has been fortunate, in that it has had more boys enrolled than any other state, with a consequent greater amount of funds placed at the disposal of the needy dependents of selectees, thereby materially relieving the relief burden of each community. Over 109,000 boys have been enrolled in Texas, and they have been paid approximately \$27,000,000.00, of which \$23,000,000.00 has been sent to their families, who have, as a result, been removed from the relief rolls. However, to get a real picture of the benefits the CCC has brought Texas, we must consider, in addition to this huge amount, the funds used for paying officers and other camp personnel, for construction of the camps, and for food and other supplies. These expenditures will more than double the \$27,000,000.00, and the entire amount has been spent in Texas communities.

As of February 1, there were over 16,000 Texas boys in camps, about 8,000 stationed in the home state, while 8,000 others were in Arizona, California, Colorado, New Mexico and Wyoming. This large number assigned out-of-state camps is due to the fact that there are more work projects in those states than there are boys to do the work, while the reverse is true in our state. There are forty white and ten colored camps in Texas, most of them being in central and eastern parts of the state, where their efforts are devoted to soil conservation, improvement of National and State parks, and forest work.

In July, 1936, there were over 21,000 Texas boys enrolled, but this number has been steadily reduced, until now only about 14,000 remain. Due to reductions in the National budget, further decreases may be expected during the coming months.

On January 1, there were 1500 camps within the United States, but by July they will be reduced to 1200. Just how many camps will be abandoned in Texas is unknown at this time, but we now have only forty white and ten colored companies in this state.

Dr. W. R. Fowler, of Hamilton, and his son, L. B. Fowler, of Stephenville came Monday to visit with his son, Dr. P. A. Fowler and family this week.

## When Women Need Cardui

If you seem to have lost some of your strength you had for your favorite activities, or for your housework . . . and care less about your meals . . . and suffer severe discomfort at certain times, try Cardui!

Thousands and thousands of women say it has helped them.

By increasing the appetite, improving digestion, Cardui helps you to get more nourishment. As strength returns, unnecessary functional aches, pains and nervousness just seem to go away.

RUBBER STAMPS are often needed—Give the Herald your orders—2 days to deliver.

## Points and Personalities

by doris pope

It seems that people never learn! About two years ago somebody started that fool idea of sending "dime chain letters"—trying to get a lot for a little. Well, that cost us (yeah, we bit, too) and it cost the government and cost and cost. Finally the Supreme Court ruled that it was absolutely a violation of the federal postal laws to send chain letters through the mails because ALL chain letters come under the heading of lottery. Recently someone started a "handkerchief chain letter"—still trying to get a lot for a little. Uncle Sam still says that all chain letters are lotteries and is beginning to clamp down on the senders of such epistles. So if you haven't answered your "handkerchief letter," you had better think twice before using Uncle Sam's mails to send them.

We just heard of the lowest down, cheapest trick that we know of—when people start stealing the shrubbery from the cemetery, then you'd ought to be careful because that kind of a person will do anything.

There was a great deal of excitement in our fair city last Saturday when one of our most prominent lawyers, (whose brother sells license plates) was arrested for driving his car with a 1937 license number. Members of his family were notified, and close friends were called. Things looked pretty serious for a while, but you know how lawyers can squirm out of things. Now he is contemplating bringing suit against the Baptist preacher and Hamlin's Sr. druggist for false charges and false imprisonment.

A well-known, blond banker, along with five other prominent business men of our town, recently attended a banquet in the cafeteria of Hardin-Simmons University. The banker, knowing that it was against the rules to smoke on the campus of the University, quietly and inconspicuously passed his cigarettes around to his innocent companions. When the crowd had lighted up and were exhaling great clouds of smoke, the manager of the cafeteria started toward this table. The banker, seeing her coming and knowing what would happen, quickly hid his cigarette under the table and assumed his most innocent expression. After the manager had requested that the gentlemen not smoke, the "innocent" banker, still holding his cigarette under the table, said, "I told these fellows they had better not smoke in here. I tried to get 'em to stop, etc., etc." (Now, guess why that blond banker is fearful for the safety of his scalp.

What very prominent matron of

our city, who drives a tan Pontiac, was stopped by a cop in Abilene recently when she ran past a stop sign? When she "talked up" to him and tried to argue, he looked very disgusted and said, "Listen, lady, I haven't got time to argue with you."

This week a young Santa Fe employee, a certain farmer-rancher and a well-known filling station employee went to Fort Worth. At 12:30 one morning, they called one of our well-known drug clerks collect just to tell him they were having a "heck of a good time and wished he was there" (We'd call that noive!)

A certain young fire insurance man and a well-known young grocery man tried to get elected as school board trustees in the last election. The motive of the insurance man (who, by the way, is saving dishes) was easily recognized, but the reason of the grocery man has not yet been discovered.

The post master visited the Rotary Club this week, and when the president called for the introduction of visitors nobody thought of him. Not to be out done, however, the post master modestly rose and introduced himself.

What prominent business woman who is very interested in the movie industry was escorted by two state patrolmen to buy her 1938 license?

## SAM'S FLOWER GARDEN

Easy to do. But what difference it made on busy Stephenson Avenue, Iron Mountain, Michigan! Sam Cudlip spaded up the space between the sidewalk and the curb alongside his drug store and planted an old-fashioned flower garden. On a hot, busy business street in mid-August it was the brightest, cheerfulness in sight, and stirred the editor of a local service-club paper to utter this thought, which we wholeheartedly commend and pass on:

"What better program could be devised for the spring months than planting some flowers in some of the unsightly places that are now eyesores to all those who would like to be proud of the city?"

Few articles cost less than a packet of flower seeds. Few forms of exercises are more stimulating than spading up a bit of soil in early spring. And few things are more satisfying to both eye and soul than flowers that bloom after such labor.

—Rotarian Magazine.

## THESE THINGS COUNT

D. C. Hines reports that he received \$22.21 income for labor and investment on a flock of 150 hens during the months of February. He fed two hundred pounds of mash, costing \$4.30 and eight hundred pounds of grain costing \$4.80. His hens averaged 16 and 7-15 eggs per hen, for February.

Hawley and Neinda 4-H Club boys have just returned from a two days visit to Fort Worth Fat Stock Show. The following boys and their sponsor, attended: Walter Morrow, Zearl Young, Roy Lambert, Charles Clyburn, and their sponsor, Ovid E. Walls, from the Hawley club, and from the Neinda club, John Brown Jr., Tom Jones Jr., Billy Jack Dillard, Joe Sam Gray, Daron Switzer, Dawse Switzer, and Raymond Moulton, sponsor. These boys were admitted free, since they attended on 4-H Club day.—As reported by Floyd Lynch, county agent.

Miss Bernice Fairey, a senior in Texas State College for Women, spent the spring holidays here with her parents, Mr. and Mrs. E. F. Fairey. She was accompanied by Miss Thelma La Fon, of Laredo, who is also a student in TSCW.

## LUMP-SUM PAYMENTS, S S A

Only a few of the persons in this territory who are eligible to file claims for lump-sum payments under provisions of the Social Security act have done so, declared J. Gordon James, manager of the Wichita Falls office of the Social Security Board, who spent Tuesday at the Hamlin Chamber of Commerce interviewing employers, workers, and others interested in the old-age insurance program of the Federal government.

Lump-sum benefits are payable now to workers in covered employments who have reached the age of 65 since January 1, 1937. Lump-sum payments are also being made to estates of covered workers who have died since December 31, 1936, and before reaching age 65. The payment in either case is 3 1/2 percent of the wages received for work performed in covered employment since December 31, 1936, and prior to death or attainment of age 65.

"Employers," Mr. James said, "are requested to check their records to ascertain whether or not there are persons in their employ who may be eligible to file claim for such benefits." Mr. James asserted that many persons who have reached the age of 65, and particular relatives of workers who have died, are not aware of their eligibility to file claims, and suggested that employers assist them by advising them of potential benefits to which they may be entitled.

Beginning in 1942, monthly retirement benefits will be paid to qualified workers upon attainment of age 65. The amount of such payments will be based on the wages received by the individual from employment covered by the Social Security act since December 31, 1936, and prior to attainment of age 65. In order to qualify for a monthly retirement benefit an individual must have worked in covered employment in each of five calendar years after 1936, and prior to attainment of age 65, and have earned a total of \$2,000 from such employment.

"For the benefit of those who have not yet established social security accounts," Mr. James said, "account numbers may now be obtained upon application to the Wichita Falls office, located at 514 Radio Building, Wichita Falls, Texas."

He invited the public to make use of the facilities of the Wichita Falls office, which has been set up for the convenience of employers and workers in this territory. Those desiring to file claims also were requested to communicate with the office at Wichita Falls, Texas.

### CARD OF THANKS

We wish to express our deepest gratitude to our neighbors and friends of Hamlin and McCauley for the kindly help and sympathy given us during the illness and at the death of our mother.

W. K. Jones and family,  
I. H. Jones and family,  
Lee Jones and family,  
Mrs. H. H. Talley and family,  
J. O. Jones and family,  
Mrs. Eunice Winfrey and family.

### CONGRATULATIONS

To Mr. and Mrs. Coy Fielder who are entertaining a new daughter. The little lady arrived Sunday morning at the Hamlin Hospital and has been named Phyllis Ann.

### KINGS DAUGHTERS CLASS ENJOY PICNIC

The Kings Daughters Class of the Methodist Church was entertained with a "Weiner Roast" at the lake west of town.

Upon our arrival each was given a sharply pointed stick on which to roast the plentiful "weiners." "Hot dogs," buns, onions, pickles mustard and iced tea were in quantities. For dessert we toasted marshmallows.

Mrs. Raymond Jones directed several amusing and snappy games. Forty-one women were royally entertained by Mrs. Bailey, Mrs. Rountree, Mrs. Clinton Barrow and their committees.

### DAHLIA CULTIVATION DISCUSSED IN HOME DEMONSTRATION CLUB

"Cultivation is the principal requirement of the dahlia," said Jewell Hipp, assistant Home Demonstration Agent to the Plasterco club,

March 29 in the home of Mrs. Rufus Fancher.

"Keep the soil well cultivated, free from weeds. After each watering, cultivate the following day to help check evaporation. When the dahlia begins to bloom, practice very shallow cultivation, since the new bulbs are forming and there is danger of ruining the new bulbs and injuring the plant," she continued.

The club was re-organized and the following officers were elected

President, Mrs. Rufus Fancher; Vice President, Mrs. C. R. Williams; Reporter, Mrs. Ramon Elkins; Recreation Leader, Mrs. Othell Sipe; Counsel Chairman, Mrs. E. F. Fairey; Bed Room Demonstrator, Mrs. W. B. Elkins; Yard Demonstrator, Mrs. Rufus Fancher.

Those present were: Mrs. Clifford Carr, Mrs. A. E. Anderson, Mrs. E. F. Fairy, Mrs. C. R. Williams, Mrs. Ramon Elkins, Mrs. Othell Sipe, Mrs. W. B. Elkins, Mrs. Herschell Erving, Mrs. Johnnie Griffin and the assistant home demonstration agent.

# "Spirit of Hamlin, Spirit of 1938"

The Chamber of Commerce, in co-operating with the mayor and city council of Hamlin and the leading merchants of Hamlin, have designated the city's official safety day as Saturday, April 9th.

The merchants of the city have co-operated in obtaining the services of the "Diamond Aerial Advertisers" to do their feature of the attractions that seem to have drawn enormous crowds in our neighboring town.

"Jack O' Diamonds LeDay" with his very difficult feature of escape from death, which means he will be strussed up in a regulation straight jacket and thirty-five feet of chain and ropes and locks. The locks have been tested and examined by Mr. Sparks, local locksmith, who states they are genuine. This act is called the ESCAPE FROM DEATH.

HE WILL ALSO DRIVE HIS OFFICIAL FORD V-8 through a blazing wall saturated with his official Phillips 66 Gasoline, handled by the Farmers Co-operative Service Station. (Watch out for their tire announcement.)

Each merchant that is sponsoring this program has agreed to have an entry in the beauty contest and all have agreed to present winner with some little prize.

There will also be a pie eating contest. Pies will be made by the

Gray's Cafe, Jack's official food headquarters. The program has the endorsement of Mayor and the Chamber of Commerce Trades Day committee.

Saturday is the day and the merchants that are displaying safety cards in their windows are offering many money saving values. Jack has chosen the Bud Terrell (Red and White) meat market as official meat market and he states you will enjoy being in good health.

Come to Hamlin Saturday; spend the day; bring the family. This program is free. The pie eating contest will be started at 2:45 p. m., and all the local boys who are entries are to register that morning at Noon at the Gray's cafe.

There will be a grand opening of the New Deal Gray's Cafe Saturday and watch for further details regarding free coffee and sandwiches.

Remember the date—April 9th, 2:45 p. m., till 4:00 p. m. In case of bad weather, the program will be held in Hamlin, Monday, 11th or Wednesday, 13th.

Watch the windows of Smith's dry goods store for the equipment of Jack O' Diamonds and photos. All day long photographs will be made of the crowd by Tommy Rector of the Rector's studio of Stamford, Texas. —(Advertisement.)

lous or silly than for these victims, when warned by a physician or others who know something about these dangerous conditions, to be met with such unfathomless indifference.

Skin cancer, will almost invariably yield to treatment if begun in time. In fact I know of no disease that yields more readily to treatment than skin cancer, if attention is given early. Then on the other hand, when you have crossed the dead line, no amount of money or treatment will avail anything, but add to the misery. So closing I warn you—DELAY MEANS DEATH.

## TUMORS DISCUSSED BY STATE HEALTH OFFICER

AUSTIN, April 1.—The definite increase in the number of persons dying from cancer makes the subject of tumors a timely one. A tumor is a mass of new tissue which is of no use whatever to the body. If tumors or their manifestations were more generally appreciated, much of the misery and many deaths could be eliminated, stated Dr. Geo. W. Cox, state health officer.

The malignant tumor known as cancer may consist, as in the case of benign tumors, of any bodily structures such as fat, bone, connective tissue, superficial layer of the skin, mucous membrane and bodily organs. They grow rapidly and may establish secondary growths far from the site of the parent tumor by means of detached cells traveling in the blood or invading the lymphatics.

Where benign tumors are concerned, surgical removal usually results in permanent cure. However, in cancerous tumors surgery or irradiation (X-ray and radium) or a combination of the two, to be effective depends upon early diagnosis and prompt professional action.

While a number of cancerous growths unfortunately do not present early symptoms, many of the more common ones do. It is the deliberate or ignorant disregard of such early symptoms that has so decidedly occasioned the increase in cancer deaths.

The outstanding signals which justify a suspicion that cancer may be present, though not necessarily so, are: any lump; any unusual bleeding from any bodily opening; a persistent sore; and chronic indigestion.

To disregard these signs, which may mean cancer in an early and therefore curable stage, is to flirt with death. Most certainly it does not pay to take any chance with any kind of a tumor or manifestations that indicate the possibility of its existence.

## BOYD CHAPEL CHIRPS

(By Mrs. Earl Brown)

Mr. and Mrs. Wortham Crow spent the week end with her parents, Mr. and Mrs. Gibson, of Snyder.

Mr. and Mrs. Bert Killingsworth, of Sylvester, and Miss Mildred Young, of Abilene, spent Sunday with their parents, Mr. and Mrs. Thompson Young.

Mr. and Mrs. L. F. Cozzen spent Sunday with Mr. and Mrs. Ed Killen of Trent. They report little John Ed as still improving slowly.

Mr. and Mrs. Dorsey Bingham, Mr. and Mrs. J. P. Bingham and Mr. and Mrs. Eldon Poize visited with Mr. and Mrs. Wes Neideken, of Hamlin Sunday and attended the singing.

Misses Betty and Virginia Cozzen entertained members of the Methodist and Baptist Young People's Sunday School classes with a social on last Friday evening.

A large crowd from our community attended the singing at the home of Mr. and Mrs. Maberry, of McCaulley, on last Wednesday evening. There were good singers there from other communities and an evening of good singing was enjoyed by all.

Mrs. F. L. Wood is visiting with her sister, Mrs. Delbert Myles, of Breckenridge, this week.

Mr. and Mrs. Jim Holden visited with their daughter, of Lubbock, last week end.

Mr. and Mrs. N. J. Rainwater spent Sunday with her parents, Mr. and Mrs. Code Maxwell of the Carpenter Gap community.

Mr. and Mrs. Earl Brown and son, Duane, enjoyed a 42 party at the home of Mr. and Mrs. J. C. Wilson,

## SAFETY FOLLOWS CLEAN-UP WEEK

Spring clean-up week, which is an annual observance in thousands of American communities and should be in all of them. The week was started primarily as a beautifying movement. It's amazing how little is needed in many cases to change a squalid street to one that is pleasant and charming to the eye.

Furthermore, something other than a better looking town results from clean-up week that is loyalty and enthusiastically supported by all citizens. For a sound, thorough clean-up process is one of the best possible ways of getting rid of fire hazards. A town which rids itself of old, unused buildings, and which cleans away with litter and grass-riden lots, becomes a far safer place in which to live and work.

Clean-up week should not stop at exteriors. As the National Board of Fire Underwriters points out, everyone should go through his home inside as well as out in search of fire dangers. A congested attic or basement, filled with ancient magazines and broken furniture and clothes that will never be used again, is the perfect starting place for a fire. Frayed or amateurishly repaired light cords, improperly stored inflammable liquids, dirty or worn eating units—from such things as these come fires that destroy hundreds of millions of dollars worth of property and thousands of lives.

Every town should make this year's clean-up week the most thorough in its history. It's an easy job,

if everyone does his bit to help. And it will pay big dividends, in beauty, safety and cash.—Industrial News.

## CANCER

(Notes By Dr. L. P. McCrary)

One out of every ten deaths, is the toll of cancer. Heart disease, tops the list; cancer takes second place in the mortality rate. The greatest contributor to this alarming death rate lies at the door of neglect. In fact, there is no disease that neglect proves so costly as in cancer. This being true, prompts me to offer this contribution in the hope that I may awaken some of the many that are carrying the germ of death around on display day after day, and so many seem so unconcerned. Since I have been in Hamlin, I have never ceased to warn people when I would notice these flourishing conditions, and beg these fellows to get busy and have something done while it could be done. Many of these I have warned many, many times to be met with the common remark, "Ah it won't amount to anything." Then in a short time would meet these poor unfortunate fellows who had been finally awakened, but too late, then see them linger and suffer pain and anguish until this death dealing monster, within a few weeks or months, bring the poor sufferers to pay off for the sin of neglect.

Early recognition of these malignant or cancerous conditions, offers the only hope for these cases. Much can be done when these conditions are recognized early and full co-operation given on the part of the sufferer. Nothing is more ridiculous

of Union, on last Friday evening.

The losing side in the B. Y. P. U. entertained the winners in a social at the home of V. R. Kelley on Tuesday evening. Interesting games were played and delicious refreshments were served.

Members of the Willing Worker's Club and their husbands were entertained by Mr. and Mrs. Jim Ferguson on Tuesday evening with interesting games and music.

Mr. J. N. Flood was re-elected in the trustee election held here last Saturday.

## LOCAL NEWS FROM FAR AND NEAR

(By TRESSIE BROWN)

We farm people have the "Spring Fever". My, isn't this weather wonderful? We sure enjoy it.

Mr. and Mrs. Bonnie Bingham and son, George Edward, of McCaulley, spent the week end with Mr. and Mrs. Arza Brown and family. Mr. and Mrs. John Greenway and little sons, Doyle and Thomas Derral, of Roby, and Mr. and Mrs. T. S. Brown and son were also visitors in their home Sunday.

Mrs. Ben Bingham returned to her home near O'Donnell last Thursday. She is improving rapidly.

Miss Geneva Joe Maberry entertained a host of friends from adjoining communities last Wednesday night with a "fine" singing in her home near McCaulley. Songs were sung by all the crowd. Then there was specials by the "Moss Sisters," the "Maberry Sisters" and the "Boys Chapel Quartet." Every-

one certainly enjoyed it.

Miss Eunice Brown has a position as housekeeper, in the home of Mr. and Mrs. Clark in Rotan.

Mrs. A. R. Brown of Plasterco, has received a message that her son, John Brown of Post, was hurt in some way but the report did not say how the accident happened.

Several from our community enjoyed the singing at Hamlin Saturday night and Sunday. One of the big treats was the Stamps-Baxter quartet heard over KRLD, Dallas, each week day morning at 6:45 o'clock. Who could guess how well they sing really in person? We hope to find a crowd at Plasterco next Sunday.

## W. M. U. MEETING WILL BE HELD IN STAMFORD

The Thirtieth Annual meeting of District No. 17 of Texas W.M. U. will be held in the First Baptist Church in Stamford, April 12 and 13. All Baptist women of the Jones County Association and District 17 are cordially invited.

### HONORED WITH LUNCHEON

Mrs. Q. Martin entertained in her home on Central Avenue, Sunday with a luncheon at one o'clock, complimenting her daughter, Miss Laura Q. and a few friends.

Red roses centered the dining table where a two course luncheon was served to Misses Laura Q. Martin, Elmo Joy Wilson, Katherine King, of Wichita Falls, Clyde Wilson, Lynita Martin, Zelma Wilson, Florence White, of Abilene, and Mrs. J. L. Carruthers.

\* Yellow road signs mean danger —white signs are for information.

### MRS. JOHN L. CARRUTHERS

#### HONORED WITH TEA

Honoring her daughter, Mrs. J. L. Carruthers whose marriage took place, March 25, in Lake Charles, Louisiana, Mrs. J. Oliver Jones entertained with a tea Friday afternoon in her home on Jackson Avenue.

Callers were greeted at the door by Miss Pearl Whiteley, who directed them to a receiving line which was headed by the hostess and the honoree and included Mrs. S. P. Tucker, of Sherman, Mrs. Ted Bledsoe, Misses Elmo Joy Wilson and Laura Q. Martin.

A color scheme of pink and green was used in floral decorations throughout the entertaining rooms. The dining table was laid with a lace cloth over pink and centered with a large crystal bowl of pink verbenas. Tall pink tapers in crystal holders burned on either side. Presiding at the silver tea service for the first hour were Mrs. W. L. Boyd and Miss Allie Whiteley and for the second hour, Mrs. C. G. Green and Mrs. H. O. Cassle. Assisting in serving were Mrs. Alpha Shands, Mrs. Henry Albritton, Miss Pauline Harrell and Miss Clyde Wilson. The attractive color scheme was further emphasized in the sandwiches and dainty individual cakes embossed with the initials of the bride and groom. The announcement, "Marcelle and Dick, March 25," was made on tiny white scrolls tied with white ribbons.

Other members of the house party were Mrs. Q. Martin, Mrs. D. O. Sauls and Mrs. Fred B. Moore who directed to the brides book where guests' signatures were secured by Mrs. Joe Culbertson and Mrs. Fred Carpenter. Adieus were said by Mrs. J. E. Moody.

During the afternoon, piano music was furnished by Mrs. Joe McCrary and Miss Edwina Gilbert.

#### MISCELLANEOUS SHOWER

##### COMPLIMENTS MRS. CARRUTHERS

Mrs. John L. Carruthers was named honor guest at a miscellaneous shower and tea given Saturday afternoon at the home of Mrs. Q. Martin on Central Avenue.

A color scheme of pink and white was noted in the floral decorations arranged in the entertaining rooms. The tea table, laid in lace, was centered with a bowl of pink carnations, and a bridal wreath. Pink tapers burned in crystal candelabra.

Miss Elmo Joy Wilson greeted guests at the door and presented them to the hostess who introduced the honoree, Mrs. Carruthers. Others in the receiving line were Mrs. J. O. Jones and Miss Laura Q. Martin. Mrs. W. L. Boyd and Miss Florence White presided at the attractively appointed tea table and were assisted in serving by Mrs. Ted Bledsoe and Miss Lynita Martin. Mrs. Henry Albritton directed guests to the register which was presided over by Miss Pauline Harrell and Mrs. C. G. Green, welcomed them into the room where a lovely array of gifts were displayed and admired.

Favors were tiny golden wedding bells tied with pink ribbon.

### MRS. CARRUTHERS HONORED

Mrs. John L. Carruthers, a recent bride, was entertained Friday evening by Miss Mary Jane Trammell in her home, La Casita, on Lytle Lake, Abilene.

A Mexican motif was used in accessories and for the supper, served buffet style.

Guests were the honoree, Misses Florence White, Elmo Joy Wilson, Laura Q. Martin and Ross Walker Jr., of Breckenridge.

The honoree was presented a beautiful hand painted picture.

### MISS PEARL WHITELEY

#### ENTERTAINED CLUB

The Bluebonnet Club played in the home of Miss Pearl Whiteley Wednesday afternoon. High score was made by Mrs. D. J. Payne. A plate holding salad, sandwiches and iced tea was served.

Those playing were Mmes. D. J. Payne, J. C. Culbertson, Carl Clifford, Jess Cory, W. J. Poe, J. E. Bury, J. L. Keen and Miss Allie Whiteley.

### MRS. DEAN HOSTESS

Mrs. Buford Dean was hostess to the Trece Senores Club in her home Tuesday afternoon.

Red roses decorated rooms where three tables of contract were in play. High score for the club was made by Mrs. Clinton Barrow and for the guests by Mrs. Joe Culbertson.

A salad plate with strawberry short cake and iced tea was passed to Mmes. Fred Carpenter, F. D. Wells, George Bury, J. E. Bury, Clinton Barrow, L. H. McBride, Bill Rountree, Bob Barrow, Grogan Turner, M. T. Hudson and Joe Culbertson.

Mrs. H. L. Hick and little son, of Oklahoma City, is returning to her home this week end after a three weeks visit here with her mother, Mrs. J. O. Parker and family.

Mr. and Mrs. V. A. Curry, of Hillsboro, Texas, came up Sunday to be with their mother, Mrs. Ada Terrell, who was quite ill. She is much improved and Mr. and Mrs. Curry returned Wednesday.

Mr. and Mrs. Tate May and son, James Tate, and their parents, Mr. and Mrs. M. P. May, went to Dallas Saturday afternoon to visit with Mr. and Mrs. J. Frank Johnson. They returned Sunday night.

Mrs. Carlton Parker and children, of Littlefield, came down for the week end with her parents, Dr. and Mrs. L. S. Magee.

### CEMETERY PLANTS MISSING

One of the most dastardly steals this community has ever had is that of the missing shrubs in East Cemetery. Persons who have loved ones buried there report that many plants have been removed this past winter. Wonder what can be done about it? Wonder if they have filled a wagon or just transplanted them.

## LADIES, ATTENTION

## WASHINGTON NEWS

FROM CONGRESSMAN  
CLYDE L. GARRETT

**TRADE AGREEMENTS** — Both old line and New Deal economists seem agreed on one thing. In order for this country and other countries to enjoy normal recovery and keep a period of prosperity, it is necessary that surplus capital and surplus goods must be permitted to flow from the surplus nations to industrially backward nations and to those nations that have raw material shortages. In an effort to revive this flow of capital and trade, the trade agreement program is being worked on by Cordell Hull, Secretary of State.

XX

**AIR POLICING**—Under the new program to check fulfillment of AAA crop control, farmers will be checked from the air. Contracts have been let so far for the photographing of 108,854 square miles by air. An additional 300,000 to 400,000 square miles will be photographed in this same manner if suitable bids are obtainable.

XX

**AID FOR THOSE OVER 45**—The Labor Department is supervising a program to solve the problem of aiding men and women over 45 to get jobs. Massachusetts, at present, is the only state that has taken steps to prevent discrimination against older worker.

XX

**HOUSING**—Since the amended National Housing Act was signed by the President on February 3, more than one hundred million dollars of new business has been recorded by the FHA. New peaks have been reached by business for three successive weeks with seven-tenths of the mortgages submitted for approval, estimated as representing proposed new construction.

XX

**YELLOW FEVER VACCINE** — In actual applications in South America, a new vaccine against yellow fever has proved effective. The Rockefeller foundation announces that development of the vaccine was achieved as a result of a series of experiments which began in 1931.

XX

**ADULT EDUCATION**—In Congress, a bill authorizing that the President spend Federal money on a matching basis with funds put up by states and local governmental bodies for adult education in evening colleges and evening high schools, has been introduced.

XX

**PETROLEUM** — Fifty per cent more petroleum was imported by Japan from this country last year than in 1936. Expanded exports to Canada and France, as well as to other nations, put American petroleum exports at a new high, one-third greater than in 1936.

XX

**WEIGHT LAWS**—Anyone interested in standards of weights and measures, or data affecting such standards, may secure complete report of the recent national conference on weights and measures from my office. The report gives details of a bill now pending to fix weights and measures, and of another standardizing sizes of cans for food products, discussion and approval of code amendments covering specifications and tolerances for weighing and measuring apparatus, including vehicle scales. The request should be for "Miscellaneous Publication, M 159."

**FEDERAL HOUSING** — The amount of mortgage which will be insured by the Federal Housing Administration on any home small or large depends on the degree of excellence of the property in question. To warrant the insurance of a full 80 per cent mortgage, the property must be a sound mortgage risk, constructed of good materials, of good functional planning and in a neighborhood of enduring value as a residential community. Even a small home—a \$2,500 or \$3,000 dwelling—can attain a sufficiently high valuation to warrant the insurance of an 80 per cent mortgage.

XX

**CIVIL SERVICE INFORMATION**—Absolutely free to anyone, is information on Civil Service. All that is necessary, is that inquiries be addressed to the Secretary of the U. S. Civil Service Board at any first

## M'CAULLEY MATTERS

By JOHN P. HARDESTY

The Methodist congregation has fitted up a beautiful class room for the little folks in their Sunday school. This is the thing to do. The best is none too good for our children.

Our community joins in sympathy with Mrs. M. H. Keller, her father, sister, and other relatives here in the death of Mr. Milton Fravel, an aged friend of the Keller family, nearly 90 years old, who quietly passed away at the Keller home Monday at 4 p. m. Mr. Fravel had no near relatives in the state. He had made his home with the Keller family since he was a young man. His illness covered a period of about one month. Mrs. Keller moved to McCaulley from Dublin about March 1. Funeral for Mr. Fravel was conducted Tuesday afternoon by Rev. J. R. Bateman. Burial was in the local cemetery under direction of Maples Funeral Home, Hamlin. Mrs. Keller is the mother of Mrs. L. E. Rector of this place.

In Saturday's election to choose two trustees for McCaulley Independent School District B. F. Short and Levi McCollum were elected to succeed themselves for another term of three years.

The W. C. Jackson returned last week from a brief visit with the Raymond Tanners at Dumas.

The George Bonds from Crosbyton visited with the C. A. Webb and B. F. Kemp families over the week end.

The following attended the district convention of district 17 at Abilene Thursday and Friday, held at Hardin-Simmons University: Mr. and Mrs. Jack Johnson and Pastor and Mrs. Hardesty. The Laymens Brotherhood banquet was attended Thursday night by D. L. Smith, H. P. Powers, Roy Hennington, Jack Johnson, and the writer. This was given by the University and Hendrick Memorial Hospital. Two hundred and seventy-five men were present. Judge Hal S. Lattimer, Fort Worth, was the guest speaker.

Last week end seemed to be homecoming time for a large number of our people. We can not remember all but here are the names of some of them: Marvin Davison, student in Texas Technological College, Lubbock; June Davison, North Texas College, Denton; Jewell Davison, teacher in Forsan public school; Mrs. Eugene McCloud (nee Cleo Akins), Littlefield; Mr. and Mrs. Wesley Akins, Benjamin; the Homer Huttons from Lueders; June Parker, student in McMurry, Abilene.

Among recent donors to our parsonage building fund we are glad to mention the names of Howard A. House, Rotan; Wienke Beauty Parlor, Hamlin, and L. P. Henslee, publisher of the Western Enterprise, Anson.

We had a work day last Wednesday and the following came, or sent a hand in his place: John Wishert, B. F. Short, M. L. Akins, J. M. Johnson, Edwin Johnson, A. A. Calloway and Melvin Hunter. The first coat of paint was put on, the yard filled in with soil, rocks moved for curbing, and electric wiring made on the building. When the farmers catch up with their work we will announce another workday and give others a chance to help.

The county rally for the Intermediate B. Y. P. U. was held at McCaulley Monday night. The attendance banner was won by Hitson while the McCaulley Union retained the efficiency banner. Following a short program by the local union games were played and refreshments of cookies and punch were served to about one hundred guests. The next rally goes to Sylvester Monday, May 2, at 8 p. m.

Rev. C. A. Jones, of Rotan, will occupy the Baptist pulpit next Sunday morning in the absence of the pastor who is due to preach at Spur in the interest of the West Texas Childrens Welfare Association.

The Truth Seekers class of the Baptist S. S. gave a gift shower to their

class or second class post office in the U. S.; to the U. S. Civil Service Commission at Washington, D. C. The Commission, on request, will place the inquirer's name on a mailing list and he will receive prompt information of projected examinations. A warning has been issued by the Commission to everyone not to be misled by promises or claims of so-called "civil service schools." No such school have any advance information of examinations, influence in procuring federal employment or any authorization to give civil service examinations.

retiring teacher, Mrs. M. J. Bentley on Wednesday night at the church. Mrs. Bentley, who has been agent for the Santa Fe railway for more than a year, has been transferred to O'Brien. We regret to lose so fine a citizen and useful woman from our community but the best wishes of her numerous friends go with her to her new home.

Those attending the quarterly meeting of the womens auxiliary of the Fisher County Baptist Association at Sylvester Tuesday were Mmes. Roy Hennington, M. L. Akins, W. H. Stephenson and Jno P. Hardesty.

Miss Laverne Parker has gone to Abilene to enroll in Draughon's Business College. Miss Lillian Akins, Abilene, came up Monday afternoon for a brief visit with homefolks, the M. L. Akins.

Mmes. C. P. Yates, Jno. P. Hardesty, J. R. Bateman, G. W. Martin and Miss Ila Eivens attended a school of instruction for members of the Order of Eastern Star at Colorado Monday.

The sympathy of our entire community goes to the Rhoton and Johnson families on account of the death of Mr. J. P. Woods, father of Mrs. Marvin Rhoton, and father-in-law of Mrs. Jess Wood, the daughter of J. M. Johnson of McCaulley, which oc-

curred at his Abilene home last Sunday morning. Funeral services for Mr. Woods were held at the University Baptist Church Monday at 10 a. m., conducted by the pastor, Rev. C. A. Powell. Burial was in the Abilene Cemetery. Those attending the rites from here were Mr. and Mrs. Marvin Rhoton and son, J. R.; Mr. and Mrs. J. T. Rhoton, Earl, June, and Ruby Rhoton; J. M. Johnson, Edwin Johnson, and Mr. and Mrs. Jack Johnson.

Mr. and Mrs. Dock Moss and Leonard Moss, of Lubbock, visited their grandmother, Mrs. E. W. Moss, and the family of Mr. J. T. Rhoton, Saturday and Sunday. Mrs. Rhoton is an aunt of the Moss boys.

MRS. MATILDA JONES  
BURIED FRIDAY

Mrs. Matilda A. Jones died Thursday morning, March 31, at 2:00 o'clock in the Hamlin Hospital following a three days illness.

Mrs. Jones was born in Georgia December 28, 1857, and later moved to Alabama where she was married to Z. T. Jones. She with her family came to Texas in 1885, and located at Sipe Springs, where her husband died in 1920.

Surviving the mother are five children, a number of grandchildren and

other relatives. The children are W. K. Jones, of Hamlin, I. H. Jones, of Jal, New Mexico; Lee Jones, of Rochester; Mrs. H. H. Talley, of Hico, and J. O. Jones, of Sipe Springs.

Mrs. Jones had been a member of the Baptist Church since her childhood and was a devoted Christian mother.

Funeral service was conducted Friday afternoon in the Baptist Church in Sipe Springs by the pastor and burial was in a Sipe Springs cemetery under the direction of Barrow Undertaking Company of Hamlin.

All the children and one step daughter, Mrs. Eunice Winfrey, of Sipe Springs, were present for the funeral.
